

Optimizing Health by Advancing the Quality of Medication Use

PQA Online Community Forums

The PQA Member Portal is an excellent resource for accessing PQA member benefits as well as engaging with PQA and fellow members. The PQA Online Community Forums are available to PQA members to facilitate the discussion of current medication use quality topics, sharing of best practices, and generally connecting with like-minded professionals in the healthcare quality space.

Guidance on how to access PQA online community forums and how to engage in these forums is provided below. For further assistance, please contact Engagement@PQAalliance.org

How to Access E-Communities

Once on the PQA website (www.PQAalliance.org), either scroll down to the bottom of the page and click on the box “Access Member Portal”

**PQA measures drive innovation
in the marketplace and practice.**

[CMS Part D Quality Programs](#) [Medicaid Adult Core Set](#) [Accreditation Programs](#)

[Pharmacy Pay-For-Performance](#) [Health Insurance Marketplace Quality Rating System](#) [Statewide Quality Programs](#)

[Healthcare IT Systems & Organizations](#) [Physician Offices & Pharmacies](#)

Alternatively, click the 4th option from the top “Member Portal” from the Membership menu in the top menu bar. Alternatively, click on “Member Portal” from the Membership dropdown menu.

Alternatively, copy and paste the following URL into your web browser.

<https://pqa.memberclicks.net/login#/login>

Log into the Member Portal

- Note: Your username has been set up to be the email address associated with the member organization. (i.e. @PQAalliance.org for PQA) If you are unfamiliar with your username or password, please request a reset of your password or contact Engagement@PQAalliance.org for troubleshooting.

After logging in, you will arrive at the Member Portal homepage.

Click on the underlined [Community Forum](#) tab under the Welcome graphic. This will bring you to a page where you can access all published forums.

How to Engage in Forums

From the [Community Forum](#) page, you will be able to access all published forums. Click on the forum with which you would like to engage.

 # of Replies per Page

To engage an existing topic and post in the forum, click on the name of the topic and view all comments in the selected thread and add your comments.
Alternatively, click on "New Topic" to create an entirely new thread within the forum.

The image shows a web form titled "New Topic". At the top, there is a "Subject:" label followed by a text input field. Below this is a rich text editor toolbar with icons for bold (B), italic (I), underline (U), link, unlink, list, and a source code icon. To the right of the toolbar are two dropdown menus, one set to "Standard" and the other to "Normal". The main body of the form is a large, empty text area. Below the text area, there are three sections: "Subscribe:" with radio buttons for "No" (selected) and "Yes"; "Attachments:" with a "Choose File" button and the text "No file chosen"; and "Comments:" with a text input field. At the bottom right, there are four buttons: "Upload", "Preview", "Submit", and "Cancel".

- Create a subject and body of the post.
- Select "Subscribe" to receive an e-mail notification when another user responds to your message
- Select "Attach a File" to include an uploaded file on the post.
- Add additional comments to the post
- Click "Preview" to view your post as it would be posted in the forum

Click "Submit" to post your content to the community Forum. Your post will be visible to all PQA members through the community forum page.
